HAMNET

On a summer's day in 1596, a young girl in Stratford-upon-Avon takes to her bed with a fever. Her twin brother, Hamnet, searches everywhere for help. Why is nobody at home?

Hamnet is a novel inspired by the son of a famous playwright. It is a story of the bond between twins, and of a marriage pushed to the brink by grief. Above all, it is a tender and unforgettable reimagining of a boy whose life has been all but forgotten.
