Welcome to ninety-seven-hour weeks. Welcome to life-and-death decisions. Welcome to a constant tsunami of bodily fluids. Welcome to earning less than the hospital parking meter. Wave goodbye to your friends and relationships... Welcome to the life of a junior doctor. Adam Kay's diaries provide a no-holds-barred account of his time on the NHS front line. Hilarious, horrifying and heartbreaking by turns, this is everything you wanted to know - and more than a few things you didn't - about life on and off the hospital ward. And yes, it may leave a scar.
