

ULVERSCROFT

Libraries re-opening, April 12th

Get ready for your library re-opening with Ulverscroft. Below are a few examples of how we can work with you when organising events and providing promotional material once available.

Host a book club

Bring your library community together using Ulverscroft's physical releases or the integrated **uLIBRARY** book club feature.

Book an author event

Promote large print, audiobooks and **uLIBRARY** in your library with a local author.

Spread the joy of reading

Liaise with a local organisation and introduce the joy of reading a large print book to those with visual impairments.

Parent and child session

Host a listen-along session for your younger borrowers using one of our fantastic children's audiobooks.

For more information please contact: Mark Merrill (m.merrill@ulverscroft.co.uk) or your local sales representative.
